

Risk Assessment

Assessing the risks at any event/activity is essential. This risk assessment has been pre-populated with a non-exhaustive list of some key hazards that apply to most events and activities. Consideration must be given for additional control measures that may be required for these hazards, along with any other hazards that are specific to the type of event/activity. These may include the use of any special equipment, health and safety and access needs for disabled children/adults.

Name and role of Lead Adult	Name of other adult supervisors	Date of risk assessment
TIM WALDEN	-	3rd June 2024
Name of Event/Activity	Number of Children	Date(s) of Event/Activity
General Play	0 (Unless with and supervised by their parent/carer)	Ongoing
